DESCENDANTS OF GEORGE HEFNER

Don Norman

1.GEORGE HEFNER

George Hefner was born about 1800. He was probably married twice. He is listed in the 1850 Randolph County VA census with Catherine, who was born about 1813. Catherine is probably a second wife, as she is too old to be a child of George and too young to be the mother some of the children.

Known children of George Hefner.
